

Marine Bioresources Interested Colleagues

NEWS BULLETIN June 2018

Firstly, thank you for wishing to stay on our circulation list for receiving news from BioBridge. Secondly, please submit your news items and/or events, and opportunities for jobs and employment in your organisations. We're happy to circulate these.

EFIB 2018- Super early bird registration available until 10 June

Call for abstracts has closed and EuropaBio will publish Innovation tracks shortly. BioBridge will be attending and is co-organising workshops on industrial innovations from marine and aquaculture sectors. If your company would like to be considered for these, let us know as soon as possible. EFIB is also running a PitchFest for start-ups and SMEs and is calling for applicants now.

Innovate UK Knowledge Transfer Partnerships

- Summer 2018 closes 4 July

For more information please visit <https://ktn-uk.co.uk/funding/knowledge-transfer-partnerships-summer-2018>

17 projects launched by Bio-based Industries JU

(a €3.7 billion partnership between the EU and the Bio-based Industries Consortium)

to work towards creating value from waste, side streams, innovative new biomass like aquatic and bio-waste, and CO₂.

<https://www.bbi-europe.eu/news/bbi-ju-launches-17-new-projects-will-validate-potential-biomass-europe>

At BioBridge we will be particularly interested to see more about one of the projects: SpiralG - Production of phycocyanin from the spirulina arthrospira sp. Revisiting the sourcing, extraction and co-valorization of whole algae in the frame of an industrial biorefinery concept
